

Rocky Mountain Home Association  
Presents

**An Installation Continuing Education Workshop on January 27, 2011**  
**HUD Code and Modular Homes Installation**

Join us in Castle Rock to learn the latest in Home Installation!  
Featuring Instructor: Ed Short, Sunrise Engineering

This Course has been approved for 8 hours of Colorado required continuing education  
for installers and inspectors!

**RMHA will also be providing training on September 22nd on the Western Slope.  
Exact location TBD. These are the only two trainings provided in 2011 so please  
plan accordingly.**

**WORKSHOPS FILL UP FAST  
SO BE SURE TO REGISTER RIGHT AWAY!**

\*This training consists of classroom and fieldwork.

Registration opens at 7:30 am at the Med. Ved. Ford building.
